

From a project to a sustainable network

Through the commitment of the PPRI member countries the PPRI research project, which was funded by DG SANCO, 2005 – 2007, continues to exist as a dynamic networking and information-sharing initiative.

PPRI: Information Platform

The PPRI website provides information on all relevant issues in the pharmaceutical policies, incl. publications: see <http://ppri.goeg.at>

PPRI: Room for exchange

The PPRI network offers its members a room for discussion and ad-hoc questions at regular meetings or through personal contacts!

Pharmaceutical Pricing & Reimbursement Information PPRI Network

Represented by Ministries, Third Party Payers and other relevant stakeholders from EU-27 as well as AL, CA, CH, HR, IS, KR, NO, RS, TR, ZA

Additional PPRI members are:

European Commission (DG SANCO, DG ENTR)

European Medicines Agency (EMA)

Organisation for Economic Cooperation and Development (OECD)

World Bank

World Health Organization (WHO)

PPRI: Glossary

Do we mean the same? A common understanding and a well-defined terminology are a key for a systematic analysis.

PPRI: Pharma Profiles

Country reports which offer up-to date information on pharmaceutical pricing and reimbursement in the EU Member States and beyond.

PPRI: Report & Articles

Comparable overview & in-depth analysis of pharmaceutical systems in Europe.
